- Education workshops, programs and other special projects to nurture the next generation of storytellers.
- Commercial activities to provide financial support for the above, including venue hire.
- Fundraising to support production, promotion and presentation of performances and other programs.

## **2023 REVIEW AND RESULTS**

Bangarra's 2023 performance year started with *Dance Clan*, igniting a shared sense of excitement and pride in our next generation of choreographers, set designers and composers.

Bangarra toured Sandsong: Stories from the Great Sandy Desert along the east coast of Australia and presented at the Auckland Arts Festival and Yuldea, Frances Rings' first mainstage work as Artistic Director attracted the biggest box office result in the Company's history.

Cultural highlights included an on Country visit to Ceduna as part of the development for *Yuldea* and returning our children's work *Waru – journey of the small turtle* to Waibene (Thursday Island).

Bangarra's flagship Youth Program Rekindling, has been on the road all year, focussing on Community connection with the next generation.

The year ended with a Net Comprehensive Income of \$846k (2022: \$717k) achieved through careful management of expenses, a 25% increase from previous year in philanthropic income, and strong self-generated revenue from various activities including our venue Dangarra O Badu.

The success of touring activities, such as *Yuldea* box office and special performances at WOMAD and the Auckland Arts Festival also contributed to this strong financial result.

In 2023, Bangarra established the New Work Creation Fund with a gift from a generous long-term donor. This fund will augment program budgets enabling Bangarra to innovate and add experimental elements to our major works. Bangarra continued building the International Touring Fund, strengthening the Company's capacity to undertake international touring in future years. 2023 saw a focus on wellbeing and development, improving scheduling of breaks for teams travelling around the country, supporting individual professional development, and embedding cultural competency across all our processes.

## SUBSEQUENT EVENTS AFTER YEAR END

There have not been any matters or circumstances that have arisen since the end of the financial year that have significantly affected, or may significantly affect, the operations of the Company, the results of those operations, or the state of the affairs of the Company.

## **CORPORATE GOVERNANCE STATEMENT**

This statement outlines Bangarra's corporate governance practices and addresses the Essential Governance Practices for Arts Organisations published in January 2021 and monitored by Creative Australia.

## **PRINCIPLE 1: VISION AND VALUES**

As per the Board Charter and Board Manual, a central element of the Board's purpose is to establish the Company's vision, values, and ethical standards and delegate an appropriate level of authority to management.

## OUR VISION

To create inspiring Aboriginal and Torres Strait Islander experiences that promote awareness and understanding of our cultures.

## OUR VALUES

Reciprocity & Mutual Obligation • Cultural Exchange & Collaboration • Cultural Protocols • Care for Country • Kinship & Respect • Resilience

## **PRINCIPLE 2: DELIVERING PERFORMANCE**

The Bangarra Board Charter and Board Manual note the Board's role of bringing an independent and objective view to the Company's decisions and overseeing the performance and activities of management, including through contributing to the development and overseeing implementation of corporate strategy, and approving the business plan, budget and corporate policies.

Bangarra is committed to having a Board of effective composition, size and commitment to adequately discharge its responsibilities and duties. Board governance incorporates the Board Charter, Board Manual, and the Committee's Terms of Reference. The Board governance documents set out the Director selection and induction processes, the duties and responsibilities of the Board with regard to the Company's overall operations, performance and compliance, and the role of the Chair. The Board is committed to traditional Aboriginal and Torres Strait Islander practices of governance which are circular. Circular governance is one of collaboration, in which each individual's role within the collective is valued for the specific contribution that individual makes to the whole.

The Board includes Directors with a diverse set of skills and experience. The Board is supported by its People Committee in the recruitment of new Directors and the process for evaluating Board performance. The Constitution states that a minimum of 50% of all Directors shall be Aboriginal or Torres Strait Islander. Across the year and currently the Chair and another four Board members identify as First Nations, 62.5% of the Board.

The Board acknowledges that its ongoing success is reliant on ensuring Bangarra continues to have the skills and expertise necessary to achieve its goals. Succession planning across key Board, Artistic and Management roles within the Company is a focus for the Board and specific initiatives and practices in relation to this are articulated in the Strategic Plan and Risk Management Framework.

## PRINCIPLE 3: SUPPORT SYSTEMS AND PROCESSES

Bangarra has processes in place that independently verify and safeguard the integrity of the organisation's compliance and management reporting. The Audit, Finance, and Risk Committee (AFRC) includes Directors with appropriate audit, finance and risk management expertise. The Committee meets prior to Board meetings and comprises between three to five Directors and, by invitation, the Executive Director and Co-CEO and the Chief Financial Officer. This Committee's responsibilities and duties cover review of the Company's management and statutory accounts, annual audit results and appointment of external auditors, internal controls and risk management.

Bangarra is committed to ensuring that the level and composition of remuneration is sufficient and reasonable. The Board's People Committee is responsible for reviewing and recommending to the Board the remunerations of the Co-CEOs. Staff and executive salaries are approved by the Board as part of the annual remuneration review and budget process. As a not-for-profit charitable institution, payment of any fees or salaries to non-executive directors of the Company is prohibited, in accordance with its constitution.

## **PRINCIPLE 4: BEING ACCOUNTABLE**

Bangarra has established a sound system of risk oversight and management and internal control. This system is designed to identify, assess, monitor and manage risk. The Company's risk management policy, responsibilities and processes for review of the risk management system are set out in the Risk Management Framework.

The Board has the ultimate responsibility for overseeing the risk management framework and monitoring business risks and is assisted in discharging this responsibility by the AFRC whose responsibilities in relation to the Company's risk management system are contained in the Committee's Terms of Reference.

Organisational risk is under continual review. To assist the Board in discharging its responsibility in relation to compliance, the Board has delegated the monitoring and review of compliance to the AFRC. The AFRC considers and reviews the Company's risk profile biannually.

The Board ensures the organisation meets the reporting requirements of funding bodies, employment and other legislated responsibilities. The Board approves the annual program and annual budget. An Annual Compliance Calendar is maintained in order to monitor requirements and reporting obligations.

## **PRINCIPLE 5: RELATIONSHIPS**

Relationships and culture are at the very core of Bangarra's values. Bangarra respects and observes its legal and other obligations, including the rights of all legitimate stakeholders. The Board's duties and responsibilities specifically include ensuring effective communication with key stakeholders. The Board Charter and Board Manual set out the expectations, responsibilities, and standards required of Directors.

The Board oversees and contributes to Bangarra's organisational culture through oversight of how culture is defined and aligned to organisational strategy. The Board holds accountable the Co-CEOs for how culture is communicated and embodied.

## INDEMNIFICATION AND INSURANCE OF OFFICERS AND AUDITORS

### Indemnification

Since the end of the previous financial year, the Company has not indemnified or made a relevant agreement for indemnifying against a liability any person who is or has been an officer or auditor of the Company.

### Insurance Premiums

During the financial year the Company has paid premiums in respect of directors' and officers' liability and legal expenses insurance contracts for the year ended 31 December 2023 and since the financial year, the Company has paid premiums in respect of such insurance contracts for the year ending 31 December 2024. Such insurance contracts insure against certain liability (subject to specific exclusions) persons who are or have been directors or executive officers of the Company. The directors have not included details of the nature of the liabilities covered or the amount of the premiums paid in respect of the directors' and officers' liability and legal expenses insurance contracts, as such disclosure is prohibited under the terms of the contract.

## **10. INVESTMENTS**

Investments are managed by Macquarie Wealth Management (Macquarie). Management monitors the performance of the investment portfolio based on market indices. Material investment decisions are approved by the Board via the Audit, Finance and Risk Committee.

Medium term investments will generally be for a term of 1 to 3 years and Long term (Capital Reserve) for 4 to 7 years duration.

The primary goal of the investment strategy is to preserve capital while earning a reasonable return. Management is assisted by Macquarie in this regard. Investment performance is actively monitored as it is measured on a fair value basis.

Fair value measurements recognised in the statement of comprehensive income amounted to gains of \$62,145 in 2023 (refer to note 5d).

Total investment with Macquarie is \$2,905,654 as at 31 December 2023, of which \$166,825 is reported in Cash and cash equivalents and \$2,738,829 invested as Managed Funds and Bonds as shown below.

## 17. RESERVES (CONTINUED)

## **Cultural Care and Pathways Fund**

The Cultural Care and Pathways Fund has two primary purposes: to nurture the Company's relationships with Aboriginal and Torres Strait Islander communities and stories entrusted to us, and to support career development and seeding of career opportunities for Aboriginal and Torres Strait Islander people throughout our creative, production, administration and management functions.

This reserve is for restricted use by approval of the Board of Directors.

## **Film Reserve**

The Film Reserve has been established by resolution of the Board for Bangarra to begin to explore different ways to present work, whether it be performances or documentary style films, and to build new audiences worldwide.

This reserve is for restricted use by approval of the Board of Directors.

## **Russell Page Graduate Program Reserve**

The Russell Page Graduate Program Reserve was established with a bequest received in 2019. In any ordinary year the Company will utilise \$60,000 towards the provision of Russell Page Graduate placement/s.

## **Stephen Page Fellowship**

The Stephen Page Fellowship has been established to honour the unsurpassed contribution of Stephen to Bangarra, to Australian performing arts history, and for setting a benchmark for storytelling across Australia and the rest of the world. Stephen's legacy has firmly established the Company as a critical part of the Australian ecosystem.

The Fellowship, established as a reserve, will focus on cultural and professional development to nurture Indigenous creative artists, and the program will develop over the coming years.

This reserve is for restricted use by approval of the Board of Directors.

## International Touring Fund

Touring internationally allows us to connect with First Peoples across the globe, fostering collaboration between communities and artists which is at the heart of our activities and programs, both on – and off the stage. We have a great responsibility to facilitate cultural exchange with our international audiences that create awareness and understanding of our rich and vibrant Aboriginal and Torres Strait Islander culture.

The International Touring Fund increases the confidence we have in our forward plans by supporting costs associated with touring overseas, costs which may not be accommodated within other sources of funding.

This reserve is for restricted use by approval of the Board of Directors.

## **New Work Creation Fund**

The New Work Creation Fund exists to support the development of mainstage programs that shift beyond the established and usual financial models, that push creative boundaries, expand the current model and extend the vibrancy of Bangarra productions beyond current practice.

This Fund enables Bangarra's artistic and cultural expressions to thrive by ensuring there is dedicated support and commitment to the crucial role we play as Cultural carriers into the future.

This reserve is for restricted use by approval of the Board of Directors.

for the year ended 31 December 2023

### **18. RELATED PARTIES**

Payments made by the Company to key management personnel for their contributions as employees of the Company amounted to \$1,631k (2022 \$2,311k).

No Directors were paid a fee for service as Directors of the Company.

Out of pocket expenses properly incurred by Directors in the performance of their duties were reimbursed. One Honorarium allowance of \$6,890 was paid to a Board Director in recognition of other engagement activities.

## **19. SUBSEQUENT EVENTS**

There have not been any matters or circumstances that have arisen since the end of the financial year that have significantly affected, or may significantly affect, the operations of the Company, the results of those operations, or the state of the affairs of the Company.

## 20. MATERIAL ACCOUNTING POLICIES

### Changes in accounting policies, disclosures, standards and interpretations

The Company has applied all standards and amendments, which are effective for annual periods beginning on or after 1 January 2023. The Company has not early adopted any other standard, interpretation or amendment that has been issued but is not yet effective.

## Summary of material accounting policies

The Company has consistently applied the following accounting policies to all periods presented in these financial statements, except if mentioned otherwise.

The Company has consistently applied the following accounting policies to all periods presented in these financial statements, except if mentioned otherwise.

a) Income tax

The Company has been granted charity status by the Australian Taxation Office (ATO) as per subsection 50-5 of the Income Tax Assessment Act 1997. Therefore, the entity is exempt from income tax and accordingly no provision has been made for income tax expenses.

b) Plant, equipment and leasehold improvements

i. Owned Assets

Items of plant and equipment are stated at cost or deemed cost less accumulated depreciation (see below) and any impairment losses.

Where parts of an item of plant and equipment have different useful lives, they are accounted for as separate items of plant and equipment.

Gains and losses on disposal of an item of plant and equipment are determined by comparing the proceeds from disposal with the carrying amount and are recognized in the Statement of Comprehensive Income.

### ii. Subsequent Costs

The Company recognises in the carrying amount of an item of plant and equipment, the costs of replacing part of such an item when that cost is incurred if it is probable that the future economic benefits embodied within the item will flow to the Company and the cost of the item can be measured reliably. All other costs are recognised in the Statement of Comprehensive Income as an expense as incurred.

### iii. Depreciation

Depreciation is charged to the Statement of Comprehensive Income using the straight-line method over the estimated useful lives of each component of an item of plant and equipment. The estimated useful lives for each class of depreciable assets are as follows:

- Leasehold improvements 6 to 8 years
- Plant and equipment 4 to 5 years
- Software 4 to 5 years

### c) Trade and other receivables

Trade receivables are recognised at original invoice amounts less an allowance for uncollectible amounts (impairment losses). Repayment terms vary and are generally between 14 and 30 days with collectability of trade receivables assessed on an ongoing basis. Debts which are known to be uncollectible are written off.

An allowance is made for impairment losses where there is objective evidence that all amounts owing will not be able to be collected.

for the year ended 31 December 2023

### 20. MATERIAL ACCOUNTING POLICIES (CONTINUED)

Loans to employees are measured at fair value estimated as the present value of future cash flows, discounted at the market rate of interest at the reporting date. The difference between the fair value of the loans at inception and nominal value is recognised as prepaid employee benefits and amortised to surplus or deficit over the period of the loan. The fair value of the loan is accreted to nominal value over the period of the loan by recognising interest income in the surplus or deficit using the effective interest method.

#### d) Impairment of Assets

A financial asset is assessed at each reporting date to determine whether there is any objective evidence that it is impaired. A financial asset is considered to be impaired if objective evidence indicates that one or more events have had a negative effect on the estimated future cash flows of that asset.

An impairment loss is calculated as the difference between its carrying amount and the present value of the estimated future cash flows.

The carrying amounts of non-financial assets, other than inventories, are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, the asset's recoverable amount is estimated in accordance with the following.

The recoverable amount of non- current assets is the greater of their fair value less costs to sell and value in use. As the future economic benefits of the Company's assets are not primarily dependent upon their ability to generate net cash inflows and if deprived of the asset, the Company would replace the assets remaining future economic benefits 'value in use' is determined as the depreciated replacement cost of the asset.

An impairment loss is recognised whenever the carrying amount of an asset exceeds its recoverable amount.

Impairment losses are recognised in the Statement of Comprehensive Income, unless an asset has previously been revalued, in which case the impairment loss is recognised as a reversal to the extent of that previous revaluation with any excess recognised through surplus or deficit.

An impairment loss is reversed, with the amount of the reversal recognized in surplus or deficit, if the subsequent increase in recoverable amount can be related objectively to an event occurring after the impairment loss was recognised.

An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

### e) Revenue

Revenue is recognised and measured at the fair value of the consideration received or receivable net of the amount of goods and services tax (GST) payable to the ATO to the extent it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognised:

### i. Box office

Box office revenue is recognised in the year in which the performance is given.

## ii. Sponsorships and government grants in cash

Sponsorships and grants received in cash are brought to account over the year to which the sponsorship agreement or grant relates. If the sponsorship or grant is for a specific project, then it is brought to account at the time the project occurs. Any funding not spent on the planned activities agreed by both parties is carried forward to the subsequent year as an advance.

#### iii. Sponsorship in kind

Sponsorships in kind are brought to account as revenue in the year to which the equal and corresponding expense relates. Consequently, the revenue and expenses are recognized in the same accounting year.

#### iv. Interest income

Revenue is recognised as interest accrues using the effective interest rate method.

## v. Donations and bequests

The Company has been granted Deductible Gift Recipient (DGR) under Subdivision 30-BA of Income Tax Assessment Act 1997 effective from July 2000. Donations and bequests are recognised as revenue when received. A separate bank account is maintained for all the donations received.

for the year ended 31 December 2023

### 20. MATERIAL ACCOUNTING POLICIES (CONTINUED)

#### f) Goods and services tax

Revenue, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the taxation authority. In these circumstances, the GST is recognized as part of the cost of acquisition of the asset or as part of the expense.

Receivables and payables are stated with the amount of GST included. The net amount of GST recoverable from, or payable to, the ATO is included as a current asset or liability in the statement of financial position.

### g) Trade and other payables

These amounts represent unpaid liabilities for goods received and services provided prior to the end of the financial year. The amounts are unsecured and are normally settled within 30-60 days. Trade and other payables are recognised initially at the invoiced amount. Subsequent to initial recognition they are measured at amortised cost.

### h) Employee benefits

Employee benefit expenses arising from services rendered by contracted employees including artists are recognised in accordance with the terms of the underlying contracts.

Amounts payable in respect of bonuses and incentives are expensed when the obligation arises.

Contributions made to employee superannuation funds are charged as expenses when incurred.

Provision is made for liabilities arising from services rendered by employees up to balance date. Employee benefits expected to be settled within one year, together with entitlements arising from wages and salaries, annual leave and long service leave which will be settled within one year, have been measured at the amounts expected to be paid when the liability is settled, plus related on-costs. Other employee benefits payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those benefits.

### i) Cash and cash equivalents

For the purposes of the cash flow statement, cash and cash equivalents includes cash on hand and at the bank, deposits held at call with financial institutions, other short term highly liquid investments with maturities of three months or less, that are readily convertible to known amounts of cash and which are subject to an insignificant risk of change of value.

### j) Financial instruments

#### i. Non-derivative financial assets

The Company has the following non- derivative financial assets: trade and other receivables and cash and cash equivalents, held to maturity deposits and investments.

The Company initially recognises trade and other receivables, cash and cash equivalents, held to maturity deposits and investments on the date that they originate.

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or it transfers the rights to receive the contractual cash flows on the financial asset in a transaction in which substantially all the risks and rewards of ownership of the financial asset are transferred. Any interest in transferred financial assets that is created or retained by the Company is recognised as a separate asset or liability.

### ii. Non-derivative financial liabilities

The Company initially recognises financial liabilities on the trade date at which the Company becomes a party to the contractual provisions of the instrument. The Company derecognises a financial liability when its contractual obligations are discharged or cancelled or expire.

The Company has the following non- derivative financial liabilities: trade and other payables.

### iii. Offsetting of financial assets and liabilities

Financial assets and liabilities are offset, and the net amount presented in the Statement of Financial Position when, and only when, the Company has a legal right to offset the amounts and intends either to settle on a net basis or to realise the asset and settle the liability simultaneously.

### k) Leases

At inception of a contract, the Company assesses whether a contract is, or contains, a lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for the period of time in exchange of consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

• the contract involves the use of an identified asset - this may be specified explicitly or implicitly, and should be physically distinct or represent substantially all of the capacity of a physically distinct asset, if the supplier has a substantive substitution right, then the asset is not identified;

for the year ended 31 December 2023

## 20. MATERIAL ACCOUNTING POLICIES (CONTINUED)

- the Company has the right to obtain substantially all of the economic benefits from use of the asset throughout the period of use; and
- the Company has the right to direct the use of the asset. The Company has this right when it has the decision-making rights that are most relevant to changing how and for what purpose the asset is used.

In the rare case where the decision about how and for what purpose the asset is used is predetermined, the Company has the right to direct the use of the asset if either: the Company has the right to operate the asset; or the Company designed the asset in a way that predetermines how and for what purpose it will be used.

The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the earlier of the end of the useful life of the right-of-use asset or the end of the lease term. The estimated useful lives of right-of-use assets are determined on the same basis as those of property and equipment.

In addition, the right-of-use asset is periodically reduced by impairment losses, if any, and adjusted for certain remeasurements of the lease liability.

The Company adopted the relief under AASB 2019-8 Amendments to Australian Accounting Standards – Right-of-Use Assets of Not-for-Profit Entities in measuring the right-of- use asset at cost, rather than, fair value with the impact on revenue recognised under AASB 1058.

The lease liability is initially measured at the present value of the lease payments that are not paid at the commencement date, discounted using the interest rate implicit in the lease or, if the rate cannot be readily determined the Company incremental borrowing rate. Generally, the Company uses its incremental borrowing rate as the discount rate.

Lease payments included in the measurement of the lease liability comprise the following:

- fixed payments, including in- substance fixed payments;
- variable lease payments that depend on an index or a rate, initially measured using the index or rate as at the commencement date;
- amount expected to be payable under a residual value guarantee; and
- the exercise price under a purchase option that the Company is reasonably certain to exercise,
- lease payment in an optional renewal period if the Company is reasonably certain to exercise an extension option, and penalties for early termination of a lease unless the Company is reasonably certain not to terminate early.

The lease liability is measured at amortised cost using the effective interest method. It is remeasured when there is a change in future lease payments arising from a change in an index or rate, if there is a change in the Company's estimate or the amount expected to be payable under a residual value guarantee or if the Company changes its assessment of whether it will exercise a purchase, extension or termination option.

When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use asset or is record in statement of comprehensive income if the carrying amount of the right-of- use asset has been reduced to zero.

## I) Short-term leases and leases of low-value assets

The Company has elected not to recognise right-of-use assets and lease liabilities for short-term leases that have a lease term of 12 months or less and leases of low-value assets, including IT equipment.

The Company recognises the lease payments associated with these leases as an expense on a straight-line basis over the lease term.

## Report on the audit of the Financial Report

## Opinion

We have audited the *Financial Report*, of Bangarra Dance Theatre Australia Ltd (the Company).

In our opinion, the accompanying Financial Report of the Company is in accordance with Division 60 of the *Australian Charities and Not-for-profits Commission (ACNC) Act 2012*, and sections 23(1)(d) and 24B of the *Charitable Fundraising Act (NSW) 1991*, including:

- i. giving a true and fair view of the Company's financial position as at 31 December 2023, and of its financial performance and its cash flows for the year ended on that date; and
- ii. complying with Australian Accounting Standards – Simplified Disclosures Framework and Division 60 of the Australian Charities and Notfor-profits Commission Regulations 2022 (ACNCR) and section 21 of the Charitable Fundraising Regulation (NSW) 2021.

The Financial Report comprises:

- Statement of financial position as at 31 December 2023.
- Statement of profit or loss and other comprehensive income, Statement of changes in equity, and Statement of cash flows for the year then ended.
- Notes, including material accounting policies;
- Directors' declaration of the Company; and
- Declaration by the Chair of the Company.

## **Basis for opinion**

We conducted our audit in accordance with *Australian Auditing Standards*. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Our responsibilities under those standards are further described in the *Auditor's responsibilities for the audit of the Financial Report* section of our report.

We are independent of the Company in accordance with the auditor independence requirements of the *ACNC Act 2012* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the Financial Report in Australia. We have fulfilled our other ethical responsibilities in accordance with these requirements.

## **Other information**

Other Information is financial and non-financial information in Bangarra Dance Theatre Australia Ltd's annual report which is provided in addition to the Financial Report and the Auditor's Report. The Directors are responsible for the Other Information.

The Other Information we obtained prior to the date of this Auditor's Report was the Directors' Report.

Our opinion on the Financial Report does not cover the Other Information and, accordingly, we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Report, our responsibility is to read the Other Information. In doing so, we consider whether the Other Information is materially inconsistent with the Financial Report or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

We are required to report if we conclude that there is a material misstatement of this Other Information, and based on the work we have performed on the Other Information that we obtained prior to the date of this Auditor's Report we have nothing to report.

## **Responsibilities of the Directors for the Financial Report**

The Directors are responsible for:

- i. Preparing the Financial Report that gives a true and fair view in accordance with Australian Accounting Standards Simplified Disclosures Framework and the ACNC and ACNCR and sections 23(1)(d) and 24B of the *Charitable Fundraising Act (NSW) 1991* and section 21 of the *Charitable Fundraising Regulation (NSW) 2021*;
- ii. Implementing necessary internal control to enable the preparation of a Financial Report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.
- iii. Assessing the Company's ability to continue as a going concern and whether the use of the going concern basis of accounting is appropriate. This includes disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless they either intend to liquidate the Company or to cease operations, or have no realistic alternative but to do so.

## Auditor's responsibilities for the audit of the Financial Report

Our objective is:

- i. to obtain reasonable assurance about whether the Financial Report as a whole is free from material misstatement, whether due to fraud or error; and
- ii. to issue an Auditor's Report that includes our opinion.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with *Australian Auditing Standards* will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error. They are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Financial Report.

As part of an audit in accordance with *Australian Auditing Standards*, we exercise professional judgement and maintain professional scepticism throughout the audit.

We also:

- i. Identify and assess the risks of material misstatement of the Financial Report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- ii. Obtain an understanding of internal control relevant to the Audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the registered Company's internal control.
- iii. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Directors.
- iv. Conclude on the appropriateness of the Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the registered Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditor's Report to the related disclosures in the Financial Report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's Report. However, future events or conditions may cause the registered Company to cease to continue as a going concern.
- v. Evaluate the overall presentation, structure and content of the Financial Report, including the disclosures, and whether the Financial Report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the Directors of the registered Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
